Give yourself 4 points for every (a. answer.

Give yourself 3 points for every (b. answer

Give yourself 2 points for every (c. answer.

Give yourself 1 point for every (d. answer.

### **You're a Good Witch if you scored (7-11)**

You're as pure and kind hearted as Diana, with the strong spirit of Melanie. You're inquisitive and caring, often putting others before yourself. A beacon of goodness shines from within, wrapping those around you in a warm glow of light. A lot of your own happiness depends on the happiness of those around you.

### **You're more Good Witch than Bad Witch if you scored (12-18)**

People view you as someone who's kind and thoughtful with an edge. You're not afraid to look out for No.1 but you always consider the consequences carefully before acting. It takes a lot to bring out your temper but you don't back down from a challenge either. You're often the go-to for advice when your friends find themselves with a problem.

### **You're more Bad Witch than Good Witch if you scored (19-25)**

You're a Bad Witch with a heart of gold. You can't help being more wild than tame and maybe even a teeny bit selfish. You often walk the edge of the dark side pondering the thrill of being wicked. Your ability to plan ahead and think on your feet keeps you at the top of the game. You don't mind coming in 2nd but only after you've tried every means possible fair or foul to reach 1st.

### **You're a Bad Witch if you scored (26-28)**

The dark side called and you answered with a sneer. Sure you'll help others, but only if it serves a purpose for you. You're used to being in charge and getting things done no matter what it takes. The word "fair" isn't in your vocabulary. It's not in your dictionary either, because you tore that page out to blot your ruby red lipstick. You're not all together heartless; you just keep it hidden, from well, every one!
